The Year — 1986-1987

The Book — Alpha

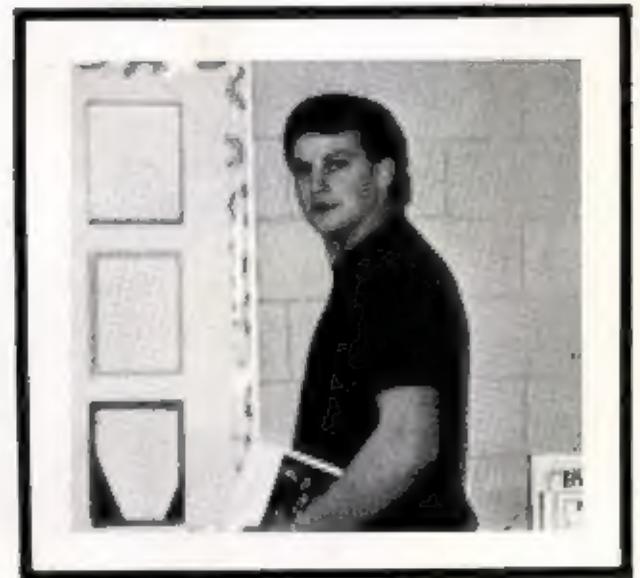

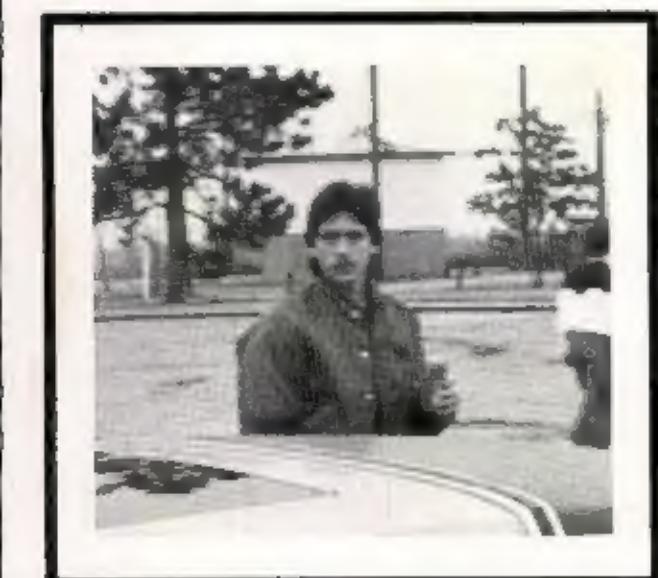

Welcome to Jonesco Academy. Jonesco has stood educating students for 17 years. Many former graduates have enrolled their children here to carry on a tradition they are very proud of. The many supporters who built the school are still around to make sure students are brought in to make the academic and sports program a success and to make sure money is raised to improve these areas.

The school has had good times and bad times, but many have remained loyal during these times. Whether one has been here since the beginning or started somewhere in between, the **DAYS OF OUR LIVES** here at Jonesco have been ones of true devotion.

We, The 1986-87 Alpha Staff Dedicate

Every year the "Alpha" has been dedicated to someone who has made a noteworthy contribution to Jonesco Academy. We could think of no one who has made a greater contribution to Jonesco Academy than you, the student.

The heart of a school is its students. Thanks to your spirit, determination, and willingness to learn, you have made JAC a school to be proud of.

And so, the 1986-87 Alpha is dedicated to you, the student. Not only to the classes of 1987, 1988, 1989, and 1990, but also to all the classes that will pass through Jonesco Academy in the future.

High school is a once in a lifetime experience, so we, the 1986-87 Alpha staff have tried to preserve some of the memories you have made so that you might treasure them in the years to come.

Kelly Wells and Richard Scott

My very brief comments on Craig Amerson (alias Greg Ambers) are that he is very disruptive to Dan Taylor and should be a puppet show specialist or a professional impersonator. Coach Bill Cecil

Doug Edwards has been on crutches since the first week of school. He hurt his knee in our first football game of the year, and it had to be operated on. He never complains about his condition to classmates and takes things as they come. Doug has some of the best manners of anyone at school. He is someone any mother would be proud of. Coach Billy Bagwell

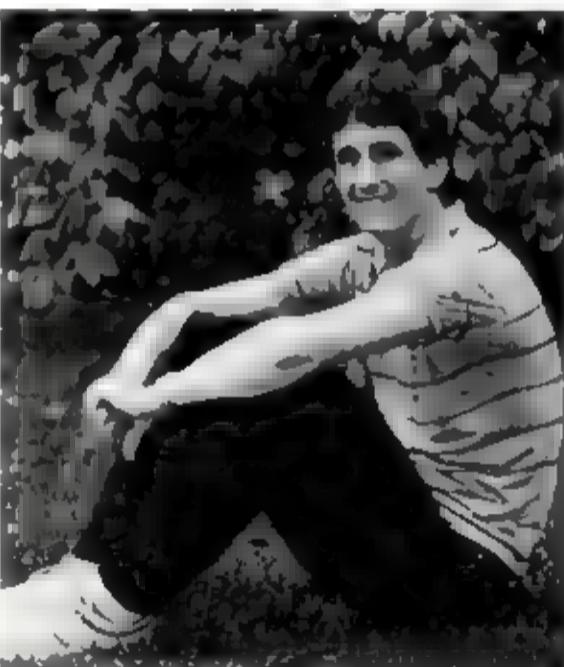

Joel Hadaway is one of the sweetest guys I know. He's always so cheerful and considerate. Sometimes I think Joel would rather go hunting than come to school. I hope someone drives Joel to school. I've seen him drive, Joel is a dangerous driver. You can ask Lloyd Bowden. Seriously, Joel is a trip. He's a friend to everyone. Carla Jackson

Mike Lacy is always smiling, always late for school and always gives 100%. He is a good student except deer and turkey season. Mike works for what he wants and will go far in life. Coach Billy Bagwell

I never thought I'd meet anyone moodier than myself, but Theresa Marvin has proved me wrong. But even in her worst mood, she's been a friend to me. By being advisor of the Alpha and Theresa being the editor, I have developed a close relationship with her. She is a hard worker and is very dedicated to whatever task she takes on. Theresa has definitely got it together. She will succeed in everything. Carla Jackson

James Mink has attended Jonesco for a number of years. He has been active in all areas of the athletic program and has won many awards. As a student James has remained in the college preparatory curriculum and has received good grades. If only he had put as much effort into doing his school work as he does trying to get out of doing his work. James is always pulling practical jokes and keeps us laughing. He will be greatly missed. Tina Behne

Tammy Minter is a great softball player, but in basketball her favorite question was, "Where do I go on this play?" In first period American Government, she helped a lot by trying to control Richard, but most of the time she was on the phone. Coach Ricky Worsham

Keith Pace is a long-time Jonesco student having attended the school for 11 years. He has participated in athletics, especially tennis and track. Keith is the type person always willing to help someone in need. Tina Behne

Chris Renfroe is cool with his civil war hat pulled down low over his brow and his sunglasses on — he looks mean and tough, but hey, Acid is really nice, he just likes to look mean. Angela Walston

Merlin Sapp is a good linebacker who can hit with the best of them. He always had a lot of car trouble that made him miss football practice. All of the girls would probably like a date with Merlin. I expect he will be married within a year. Coach Billy Bagwell

Jenice Schell is a study of contrasts. She is quiet as a mouse in class (well, usually) but once she puts on her basketball, softball, or track uniform, a superwoman transformation occurs. This reclusive girl becomes an explosive dynamo of competitive spirit. Her zeal for excellence is the common denominator of both her athletic and academic worlds. Ellen Carden

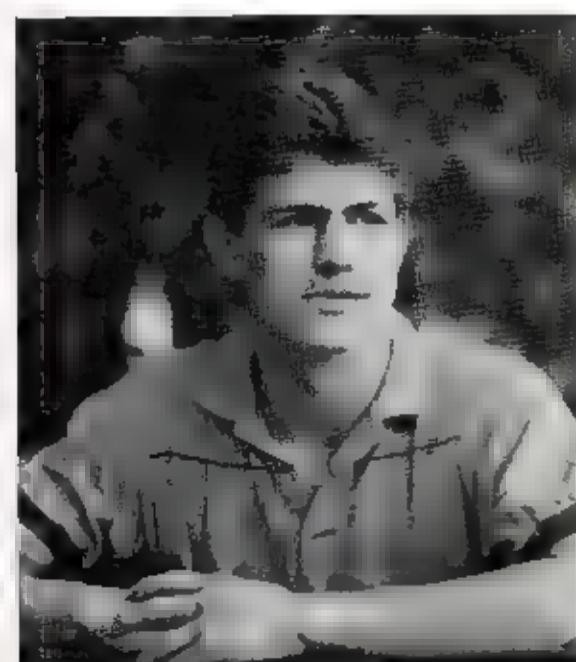

Richard Scott, wow, where do I begin? I like Richard. I don't know why, but I do. Richard has potential, he really does. There is not a day that goes by that I don't argue with Richard about something — anything. But, all in all, Richard is a good person. He thinks the world of my son, Doug. If Richard is around, I don't have to worry about holding Doug, because Richard's got him. If there's one thing I know, Richard Scott is going to surprise everyone. Carla Jackson

He's the Tower of Power around the hoop. He can make the PC's do a loop. Dan Taylor, our S.E.A.I.S. premiere athlete. Dianne Jolly

Kelly Wells has been at Jonesco for 13 years and that tells it all about her dedication to the school. She has participated in athletics and won many awards. Kelly seems to remain calm about everything. She is definitely an asset to the senior class. Tina Behne

Robby holds the demolition record for cars at Jonesco. Robby's senior year was his first year of playing football, and I knew why when I told him to block the linebacker and he said, "Who is that?" One last thing, "Robby, did you fart?" Coach Ricky Worsham

When things are grumpy, there is always Hope Worrell's shining smile and teasing to cheer to the crowd along. She will listen intently to a friend in need and will roll up her sleeves and dig in on her projects and see them through to the end. Dianne Jolly

ROUNDBALL DAYS!!!

JAC 1986- 87

The Basketball Days of 1986-87 were ones of sweet victory, bitter defeat, excitement, and even disappointment. The boys and girls both had good seasons with the boys compiling a 26-4 record. The boys went undefeated winning 14 region games to capture the Region Crown for the season. In the region tournament, the boys lost to George Walton, 55-58, and were named Region Runner-ups in the tournament. With a disappointing 51-86 loss to Westwood in the State Tournament, the boys ended their season. But, all in all, the Varsity Boys proved to be champions by their outstanding performance of the season.

STATE CHAMPS

Sorsham Coach of the Year!"

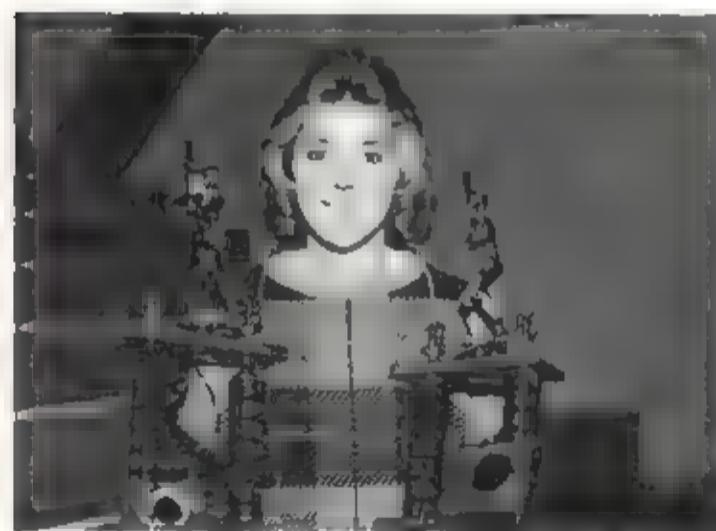

Under the direction of Coach of the Year, Ricky Worsham, the 1987 Baseball team captured the State Crown in a showdown against Briarwood at Thomas Jefferson. The Colts came away with a 6-3 victory and also a feeling of complete supremacy. The season was a success and to show for it were two trophies — a region and a state trophy. The boys were 20-5 overall and 12-0 in Region play. The day will never be forgotten, because it was one in which the ultimate was reached — A 2AA STATE CHAMPIONSHIP in Baseball.

EDITOR

I don't think anyone really realizes how much hard work goes into an annual unless you have ever worked on one before. You've got the class, the editor, the advisor, and the Joslin's Representative (Dave Walsh) who are responsible for putting together a book to please the student body. "Days of Our Lives" was the theme for this year's annual. We hope you like the book. At the bottom of this page are the remainder of the pictures of my staff. "We" hope you enjoy it, because "we" really worked hard! — Carla Jackson, Advisor

MONTESSORI

"What is Montessori?"

"Montessori" is the name given to the discoveries and educational method devised by Dr. Maria Montessori back in the early 1900's. In a montessori class, the child learns through observation and discovery, and is aided in his work by the wide variety of montessori materials in such areas as reading, writing, math, biology, history, geography, science, art and music. For the very small children there are also exercises for increasing spoken vocabulary, improving coordination and concentration and developing each of the five senses. The montessori is an open classroom, and each child works at his own rate and is never under pressure to compete with other children. Each child is directed by a montessori teacher who is always ready to support and encourage the child in his task of self-development.

During the 1986-87 school year, Jonesco enrolled 80 children in the montessori program. The eight teachers were Sandra Cochran, Eileen Floyd, Lori Hulett, Carla Jackson, Allyson McElheney, Peggy Myers, Sandra Pace, and Martha Sellers. Graduation was held May 27, 1987 and twenty graduates received their diplomas.

1987 ONCE IN A LIFE- TIME Junior- Senior

KELLY Mr. And Miss Jonesco DAN

The 1987 Junior-Senior was held at the Hayhouse in Macon again for the second year. "Once in a Lifetime" was the theme, and under the direction of Junior Class President, Rhonda Coursey and Sponsor, Diann Jolly, everything went over smoothly. The main event of the evening was after the leadout when Dan Taylor and Kelly Wells were announced Mr. and Miss Jonesco and were presented with roses and balloons.

SUMMER CAMP '87

Jonesco offered a summer program from July 8-August 7 which offered more than daycare and offered an educational program. Seventy children were enrolled in three different age groups. Deborah Johnson, Diane Brown, Allyson McElheney, Eileen Floyd, Carla Jackson, and Jeanine Wood were the summer camp teachers. Some of the activities provided were skating, bowling, playing putt putt golf, going to the recreation complex and water play. The group visited the Museum of Arts and Sciences, Hawkins Farm, a Fourth of July parade in Gray, the Jarrell Plantation and the Indian Mounds.

On November 13, 1986, the Jonesco Annual Staff sponsored a Powder Puff game for the high school girls to have a chance to play football, and for the senior boys to compete for a Homecoming King. The Senior-Sophomore Team came away with the victory on the field and Keith Pace was voted Homecoming King. Richard Scott was first-runner up, and Craig Amerson was second runner-up. The Alpha Staff raised well over \$600.00, and everyone involved had a great time.
